

BAHAMAS COVID-19 TRAVEL REQUIREMENTS

2021 to 2022 Season (Updated December, 2021)

Effective January 7, 2022

VACCINATED TRAVELERS:

You must obtain a negative PCR test no more than three (3) days prior to arrival to your final destination in the Bahamas.

UNVACCINATED TRAVELERS:

You must obtain a negative PCR Test no more than three (3) days prior to arrival to your final destination in the Bahamas.

PLEASE NOTE

If you are arriving into Nassau, Bahamas prior to travel to any out-island, your negative test result must be valid no more than 3 days prior to arrival to your final destination in the Bahamas.

HEALTH VISA PROCESS

All travelers are required to obtain a Bahamas Travel Health Visa prior to entry into the Bahamas. You will not be able to complete this process until you have received your negative COVID-19 test prior to travel. To obtain your visa, you need to do the following:

ONE

Create a profile on the Bahamas Health Visa portal, uploading personal information, a photocopy of your passport, and vaccination information if applicable. [Click here to begin the process.](#)

TWO

Obtain a negative COVID-19 test no more than three days prior to arrival to your final destination in the Bahamas

- Vaccinated travelers must obtain a PCR test (taken no more than 3 days prior to entry into the Bahamas)
- Unvaccinated travelers must obtain a PCR test (taken no more than 3 days prior to entry into the Bahamas)

THREE

Create a trip in the health visa portal, which includes the following:

- Travel dates
- Negative Covid test result/certification
- Mandatory Health Insurance coverage

Approval typically takes up to 24 hours after final submission

RETURNING TO THE U.S.

Vaccinated travelers

Travelers are required to obtain a negative Rapid Antigen test within one (1) day of return to the United States. The lodge will facilitate this testing. Cost is approximately \$25-\$100 USD. Test Vouchers can be pre-purchased as part of the Bahamas Travel Health Visa process.

Unvaccinated travelers

Travelers are required to obtain a negative Rapid Antigen test within one (1) day of return to the United States. The lodge will facilitate this testing. Cost is approximately \$25-\$100 USD. Test Vouchers can be pre-purchased as part of the Bahamas Travel Health Visa process.

PLEASE BRING PRINTED COPIES OF ALL REQUIRED DOCUMENTS THROUGHOUT YOUR TRAVELS

- Travelers should also be prepared with proof of COVID-19 vaccination if necessary, negative PCR or rapid test results, and travel visa documents when passing through customs.

PLEASE NOTE - BAHAMAS ONLY ACCEPTS THE FOLLOWING VACCINATIONS:

- Astra Zenica (Vaxzeria/Covishield)
- Janseen (Johnson & Johnson)
- Pfizer-BioN Tech (Comirnaty)
- Moderna (SpikeVax)
- Sinopharm
- Covaxin
- SinoVac

EFFECTIVE DECEMBER 27, 2021

All Travelers to the Bahamas that are staying at their destination longer than four (4) nights and five (5) days will be required to take a Day Five Rapid COVID Test.
